

<p>I like to play games with other people</p>	<p>Sometimes I get to go first</p>	<p>Sometimes I might have to wait which makes me sad</p>
		
<p>I remember that everyone wants to have a go at being first</p>	<p>I can wait in line and stay calm, it will soon be my turn again</p>	<p>My coach and team mates are happy when I am calm and the game can continue.</p>
