

Going on the bus

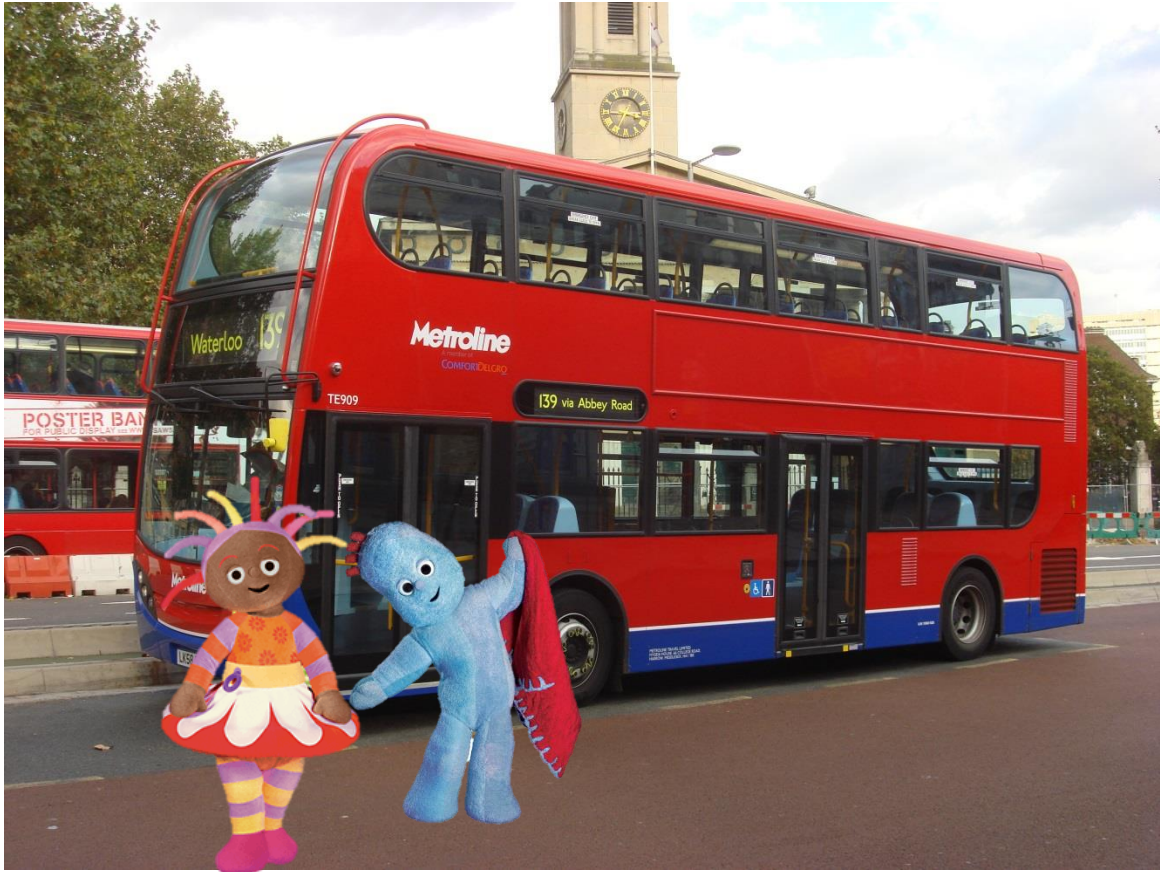

Buses help us get to
places we want to
go to.

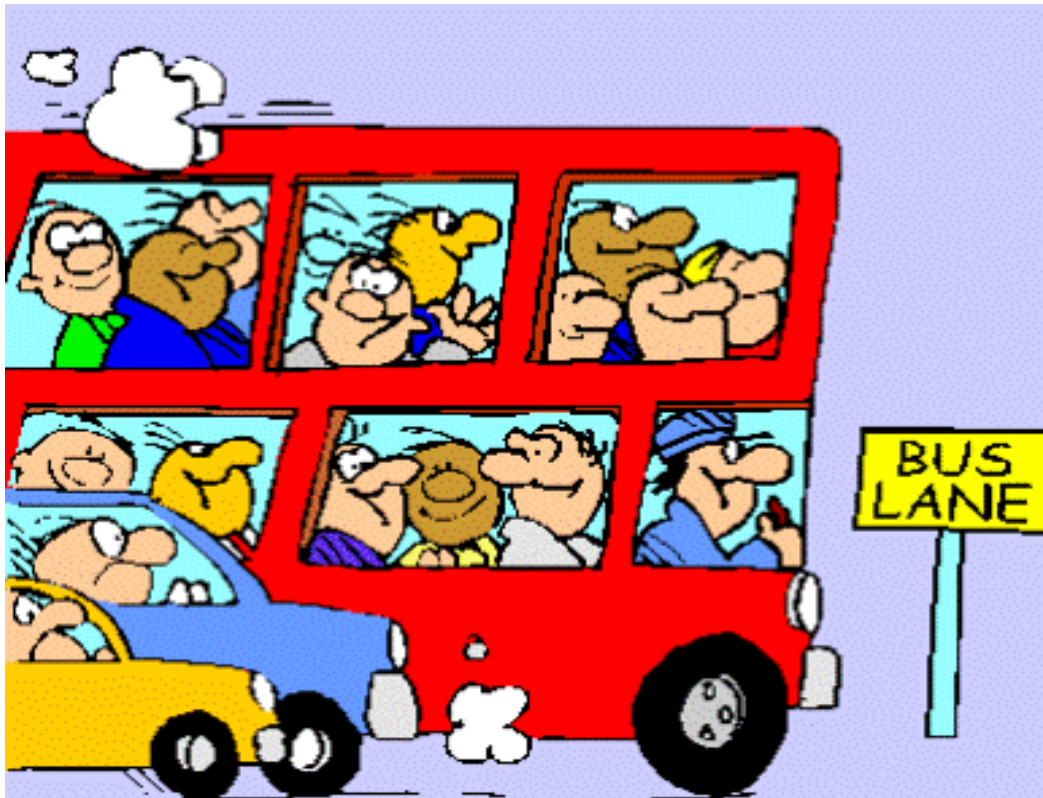

We hold hands
while we wait for
the bus this keeps
us safe.

We wait at the
bus stop for the
bus.

When the bus
comes we get on
it.

Sometimes there are lots of people on the bus and sometimes it is empty.

We sit on a seat
on the bus.

I like going on the
bus because it can
take me to places
I want to go to.

Sitting on the bus
keeps me safe and
makes my mum
happy.
